Interview with Tonya Oss-Brewer
WIOA Advisor
ND Job Service

What is WIOA?

The Workforce Innovation and Opportunity Act (WIOA) is a federally funded program that provides training assistance to eligible individuals. WIOA was signed into law on July 22, 2014 and is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy.

How do I know if I could be in the WIOA program?

Some possibilities for eligibility include:

- Meeting Income Guidelines
- Public Assistance Recipient
- Being a Single Parent, foster child or homeless
- Having a disability
- Having legal issues or other issues that impact work or training
- Being Laid off from a job due to a business closing or lack of work
- Others based on completed Application

What kind of jobs do people in the WIOA program train to do?

The Governor's Workforce Development Council has established an in-demand occupations list for North Dakota. The list includes occupations determined to have a current or potential impact on the state's economy. Providers with training programs that align with the in-demand occupations may apply to be included on the Eligible Training Provider List. Students who qualify for WIOA may receive funding for these training programs. **Training Programs Website**

Anything that is on the approved In-Demand Occupation list. **List of in-demand occupations**

What can people who are in the WIOA program qualify for?

WIOA program can fund \$16,000 for training longer than 6 months and \$12,000 for training 6 months or less.

WIOA pays for tuition, books and fees and up to \$1200 for tools if they are required by the program.

WIOA Program does not offer the trainings but may offer funding assistance for some individuals who are eligible.

Training is limited to programs that can be completed in 3 years or less.

WIOA doesn't fund Bachelor's Degrees unless you have completed some prior coursework and can finish in less than 36 months.

What else should we know?

You will need to attend a WIOA Information session (Job Service offers this orientation session every Tuesday at 1:30pm-2:30pm) where you will receive your application and get assigned a WIOA Advisor. **Contact job service to register.**

Citizens are assigned their partners and their jobs. No one thinks to ask questions. Everyone obeys. Everyone is the same. Except Jonas. Gradually Jonas learns that power lies in feelings. But when his own power is put to the test—when he must try to save someone he loves—he may not be ready. Is it too soon? Or too late?
